

# Production Time and Shipping

# Express Delivery Service

## What is "Production Time"?

- "Production Time" means the number of days required before shipping.
- The number of days indicated as manufacturing time is the number of business days. (excluding Saturdays, Sundays and Holidays)

## Production Time Symbols

Production time is ... Production Time **1** Day

Production time is ... Production Time **3** Days

Production time is ... Production Time **6** Days

Production time is ... Production Time **8** Days

Production time is ... Production Time **11** Days

Production time is ... Production Time **13** Days

## Example: Manufacturing Time **6** Days

The table below shows an example of 6 days "Manufacturing Time". When we receive the order for this product on the 2nd (Wednesday), shipment from our distribution center in Chicago will be on the 10th (Thursday).

For custom clearance and transportation, a few additional days may be necessary before you receive the product.

SUN	MON	TUE	WED	THU	FRI	SAT
		1	2	3	4	5
			Your order	1st business day	2nd business day	Off
Off	6	7	8	9	10	11
	3rd business day	4th business day	5th business day	Shipping date: 6th business day		Off

## Shipping

- Delivery fee will be charged after shipping.
- Standard shipping method is Ground unless specified by customer.
- Delivery may be expedited upon customer request by using express shipping service (Next Day, Overnight...). Please call customer service at 1-800-681-7475 or 1-847-843-9105. Any additional shipping cost will be charged after shipping.

## Express Manufacturing Services

- To meet your urgent orders, we offer expedited delivery services for many products. Our Express Delivery Services are available for the products marked with one of the symbols below. Depending on the specifications/dimensions of a product, the options may not be available. Before placing an order, please confirm the options availability indicated on the product pages.

Orders for Express A service must be placed before 2:00 PM CST.  
Orders for Express T service must be placed before 12:00 PM CST.

## Special Emergency Service [Express T]

- [Express T] is a special emergency service that allows shipment on the same day of ordering.
- Please note that depending on the order volume, there are cases where this service is not available.
- Please call customer service for Express option.

## Production Time

Express Service Options	Production Time
	Standard 3 day manufacturing time reduced to 1 day.
	Standard 6 day manufacturing time reduced to 4 days.
	Standard 8 day manufacturing time reduced to 6 days.

## Express Delivery Fee

(Price will be same for 3 or more identical pieces.)

- Fees shown in catalog pages are applicable to each piece of the ordered product, unless otherwise indicated. The amount due for a product, therefore, is "Unit Price" + "Express Delivery Fee".

Since Express Manufacturing Fee is a flat charge for 3 or more identical pieces, Per price fee decreases with increasing quantity. See the "Charge of Express Delivery Options" table.

Charge for Express Manufacturing Options

Quantity	Price per unit for express service						
Price/pcs	20.00	15.00	10.00	8.00	5.00	3.00	2.00
1	20.00	15.00	10.00	8.00	5.00	3.00	2.00
2	20.00	15.00	10.00	8.00	5.00	3.00	2.00
3	18.00	13.50	9.00	7.20	4.50	2.70	1.80
4	13.50	10.12	6.75	5.40	3.37	2.02	1.35
5	10.80	8.10	5.40	4.32	2.70	1.62	1.08
6	9.00	6.75	4.50	3.60	2.25	1.35	0.90
7	7.71	5.78	3.85	3.08	1.92	1.15	0.77
